EXPERIENCE

Associate Product Manager | Senior Product Analyst

Glance Digital Pvt. Ltd. | Aug 2023 - Present

1. Increased session depth by 22% and swipe sessions by 8% by launching Bundles – a new content format grouping related articles/videos – improving content continuity and time spent.
2. Drove 2x revenue per Mn impressions and +59% eCPM uplift by launching Quiz Time value prop; reduced ad requests/CTA by 32%, delivering better monetization efficiency.
3. Boosted user engagement through UI experiments resulting in 8x more fast card entries, +50% session depth, +16% time spent, and 47% fewer dormant users.
4. Improved user transition by 3% (LEU→MEU) via cohort analysis and TOFU funnel optimization, enabling targeted high-impact content delivery.
5. Enabled data-driven decision-making by designing Fast Card & Novo Master dashboards, defining instrumentation requirements, optimizing SQL, and ensuring data accuracy.
6. Ran Smart SHP Router experiments to increase landing rates for low-engagement segments while retaining high-value users.

Senior Product Analyst

Chingari | Jun 2022 - July 2023

Chingari is the world first Web3 social media app (Solana blockchain) with the 10MN+ MAU and first ever video NFT Platform.
